

## Elspeth Jackson – Ragged sunflower bag

### Materials:

All the tools and materials listed below can be bought on the Ragged Life website – [www.raggedlife.com](http://www.raggedlife.com)

Hessian Shopping Bag (make sure the inside of the bag is not laminated)

Plate or bowl to draw around (approx.19cm diameter)

Marker pen

Fabric offcuts or old clothing (see below for details)

Rag rug spring tool

Rag rug scissors or fabric scissors

### Fabrics:

The softer and thinner a fabric is, the easier it is to work with. However, you should try to include a couple of different textures in your piece if possible as this will make your design look more interesting.

I used – Yellow - one top

Orange - the back of a t-shirt

Leopard print - the back of a t-shirt
