

Travel Information: SEC, Glasgow

Glasgow Prestwick Airport is a 45 minute drive by direct motorway link from the SEC. Glasgow's international airport is a 15 minute drive from the SEC and provides direct access to and from major European and North American cities. The city sits on the nation-wide transport system with fast rail and road access to all the UK's principal cities.

From within Glasgow there are a number of options that will bring you to the front door of the SEC in a matter of minutes.

Train journeys from Glasgow to the SEC are even easier now with the help of Scotrail, leaving around every 10 minutes from Glasgow Central Station (platform 17 lower level) for an off peak return of £1.25.

SEC is pleased to announce that a new multi-storey car park at the SEC operated by City Parking (Glasgow) LLP is now open and will be the main parking area used for events at the venue. This facility is located at 10 Stobcross Road, Glasgow, G3 8YW.
