

# #SEWYOUR STYLE 2020 competition *the results*

The Creative Craft Show competition Sew Your Style in association with us here at The Pattern Pages gave dressmakers the chance to show off their dressmaking skills, as well as win some fab prizes!

## THE CATEGORIES

**Vintage Revival** – Can't resist the glamour of a retro garment. Here was your chance to show us your favourite style from the past!

**Eye for Detail** – Love ruffles, pintucks or another sewing technique then WOW us with your fabric manipulation!

**Sew a Colour** – Block Dress - its one thing to master matching colours, but mixing them can create wonderful results. We were looking for stylish dresses.

## THE JUDGING

We had over 130 entries this year, which we narrowed down to 10 garments from each category to go forward.

We unfortunately weren't able to showcase them at Sewing for Pleasure at the NEC in Birmingham like we usually do in March and the autumn Shows had to be cancelled too! So rather than keep sewers waiting, Jane Bolsover and Terri Hignett from the Creative Craft Shows joined us in picking the winners – so it was masks on and the judging began! The standard of sewing was so amazing!

We'll also be announcing the winners over on the Creative Crafts Show Live on Facebook at 2.30pm in the Meet the Artists at [www.facebook.com/watch/thecraftshows](http://www.facebook.com/watch/thecraftshows) on 7th November!
