We are proud to be awarded the 'We're Good To Go' certificate - the UK's official mark to signal that a tourism and hospitality business has worked hard to follow Government and industry COVID-19 guidelines.

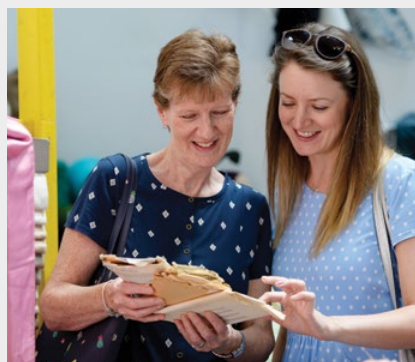

We will have a strict process in place to maintain cleanliness and aid social distancing in line with Government guidelines and Public Health guidance, so you can feel assured that we are following all the advice and procedures to keep you as safe as possible. We look forward to welcoming you to Westpoint!

## FEATURE DISPLAYS AND EXHIBITIONS

## WEST COUNTRY CREATIVE

We are excited to welcome West Country Creative to the show. They run inspirational jewellery making workshops using silver and/or polymer clay from their purpose built, Devon based garden studio. We are also lucky enough to have them run workshops at this show (see the next page for how to book). Pop along and ask them all about how to make rings, necklaces, earrings and much more.

## STOCK UP

You will find many exhibitor stands filled with crafty supplies, tools and projects. Stock up, seek advice and find out what's new and improved!

## WORKSHOPS

We have some stunning autumnal and festive workshops lined up for you, plus others including block printing and silver clay. All workshops are 60 or 90 minutes.

To make sure that you secure yourself a place on these limited sessions please visit: [www.stitchandhobby.co.uk/exeter/autumn](http://www.stitchandhobby.co.uk/exeter/autumn) to book.

## ALISON WRAY McCANN

Alison will be at Westpoint demonstrating her stunning beading techniques. She designs and makes her various projects to teach all abilities, and will be happy to give demonstrations or provide more information about her group and individual workshops in Torquay and throughout the West Country.

## CONTEMPORARY QUILT, QGBI

Contemporary Quilt is a special interest group of The Quilters Guild of the British Isles, creating innovative and dynamic textile art, aiming to encourage quilters to extend and develop their work. CQ is represented at this show by members from Devon, Cornwall, Dorset and Somerset, showing some of their latest Journal Quilts, using recycled materials, plus their most recent group quilt: A Group of Groyne. There will be some beautiful pieces on display – definitely worth a visit.
